

The Mustard Seed – Matthew 13:13-35

How many activities can you complete?

QUIET ZONE

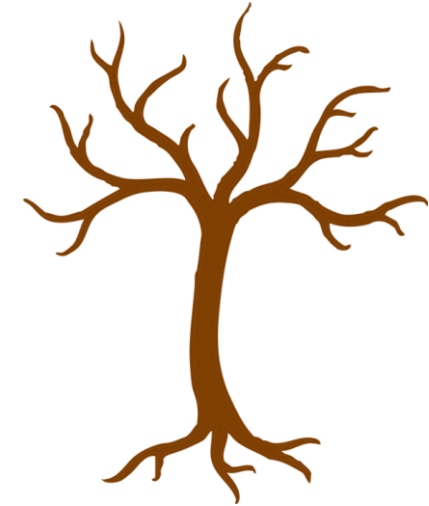

Read the story of Jesus feeding the 5,000 from John 6:1-14

Thank God that He can use small things to make a big difference

CREATIVE ZONE

Make a seed tree by drawing the outline of a tree like the one shown here. Colour it in and stick large seeds such as sunflower seeds on its branches.

MYSTERY ZONE

Collect some pine cones when you go out this week.

When you get home, open up some cones and take out the seeds.

Plant the seeds in a pot of soil and watch them grow!

DIGGING DEEPER ZONE

Whenever we talk to someone about Jesus, we are helping to grow God's Kingdom.

- Ask God to show you who you could speak to about Him
- Pray for that person and ask God to give you the right words to say to them
